## FROM ADVENTURE SLIDES TO WATER SLIDES

On Saturday we were super excited to visit the CREEC All Abilities Park for the first time since their re-opening. We loved all the extra equipment, especially the long slides down the side of the hill! To continue with our theme of slides, we headed to Chandler Aquatic Centre for a much anticipated swim and a ride down their huge water slide that wraps right around the edges of the indoor pool.

## URBAN XTREME

One of our favourite excursions is a visit to Urban Xtreme! We were challenged by the Ninja Course, all tried to climb the challenge wall, and of course bounced as high as we possibly could through all of their trampolines. We enjoyed a special treat lunch and then headed home for some gaming before pickup time.

## NDIS NEWSFLASH!

There is currently an opportunity to contribute to the consultation on the draft lists of the NDIS support proposal. If the changes become the law, there will be a new definition of NDIS support to help participants and providers to understand what NDIS funding can be used for. This will enable more flexible planning and new budget setting arrangements as recommended by the NDIS Review.

The online survey is active until this Sunday 25th August and closes at 5pm. Click [here](#) to find out more and have a say in the changes for the NDIS Amendment Bill 2024.
