“THE BEST PLACE EVER!”

Flip Out was officially declared “the best place ever” by one of our participants, and we agree! We visited for the second weekend in a row and we all loved it. There are so many different challenges and activities to immerse ourselves in as we practice taking turns, communicating with each other, and following the directions of the safety crew.

MOVIES AND CREATIVITY

On Sunday we took a trip to the cinema to see "Harold and the Purple Crayon". We enjoyed popcorn and a frozen drink while imagining all the things we could do with our own magic crayon!

We channeled our creativity into making characters and creatures with playdough, coloured blu-tak and mini mannequins, and one of us even designed a feeling to go with a character from the new "Inside Out 2" movie that we watched together over the weekend.
