## PINK FLAMINGO, PIZZA AND BIRTHDAY CAKE

Saturday was packed full of busy fun! We headed back to Pink Flamingo Circus which was again totally amazing and had everyone captivated! After that we headed to Bradbury Park which is a new one for us, and it presented unique structures that had us thinking with our inquiry minds switched on.

The evening centered around making homemade pizzas with a variety of toppings that the children were able to construct themselves, and of course a birthday cake to celebrate another special friend's birthday. What a day!

## BRIBIE ISLAND NATURE ADVENTURE

On Sunday we set off for our Bribie Island Nature Adventure Day. We started at the Butterfly House which is run by such dedicated volunteers who know loads of super cool facts, and we were all excited to have a butterfly land on us!

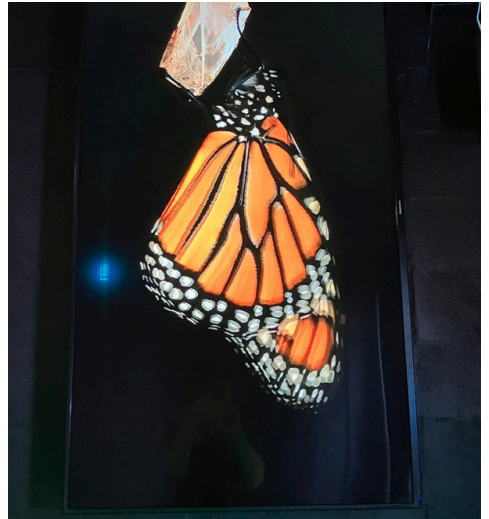

Next we headed to the playground and stumbled upon the miniature train rides that were on so we were able to have a ride...such good timing!
