A SWEET CELEBRATION AT RESPITE WITH LINDA

Birthdays are always special, and this one was no exception! Knowing the birthday boy's favourite treat, Caramel Cheesecake, Linda made sure it was on the menu. After a dinner of homemade mini pizzas, everyone joined in for a round of Happy Birthday, followed by a slice of delicious cheesecake to celebrate the occasion. A simple but lovely way to celebrate birthdays.

BUSHWALKS, BUGS & A SPLASH

Saturday was a day full of activity! After morning tea at home, we set off for Sheep Station Creek Conservation Reserve. One of our friends, an insect enthusiast, was in his element spotting and sharing some fascinating finds along the way. We took a stroll through the bush tracks, soaking in the sights and sounds of nature.

Next stop: Burpengary Aquatic Centre, where we explored the new Splash Pad before refuelling with a sausage sizzle lunch. The afternoon was spent in the Mushroom Pool, playing and diving for rings, a great way to cool off and wrap up the day!

FROM ENCHANTED TABLES TO BOUNCY FUN

Sunday took us to Redcliffe Library for a session with the Magic Tables (Tovertafel), where interactive projections had us popping bubbles, catching ladybirds spinning spinning tops, and working through different games and levels. We took turns with 2 groups of 3 using the tables. One groups played games on the tables while the other group explored the library. Two of our crew were delighted to join in with story time. Our visit to the library was a fun and engaging experience for everyone.

From there, we headed to Scarborough Beach where we discovered a fairy door in the trunk of a tree. We then headed for the Jumping Pillow, followed by a simple but delicious lunch —hot chip sandwiches. A great mix of activity and relaxation to round out the day!
